A pie chart illustrating the gender distribution of respondents. The chart is divided into three segments: a large blue segment for 'Man' (88%), a smaller teal segment for 'Woman' (10%), and a very small pink segment for 'Others' (2%). A legend to the right of the chart identifies the colors: blue for Man, teal for Woman, and pink for Others.

Gender	Percentage
Man	88%
Woman	10%
Others	2%
